

# FLEXIDAY®

## Now Available Portside at Bayonne, New Jersey

Starting November 1<sup>st</sup> FlexiVan will begin to offer high-quality FlexiDay® chassis at our Bayonne, New Jersey facility.

This new portside location provides motor carriers with greater ease for chassis pick up and drop offs – which as we know, often results in faster turn times.

Plus we're offering top-of-the-line chassis at Bayonne, outfitted with LED lights and radial tires!
