

July 2, 2015

### **MLRZ – Flexi-Van / Mitsui OSK Line Gen-set Pool – LA and Oakland**

**Flexi-Van Leasing, Inc.**® is pleased to announce that effective July 1, 2015, we are managing a private pool for MOL's gen-set chassis in California. The new chassis pool **MLRZ – Mitsui Local Reefer Pool**, will encompass all locations in our existing BACP and FLBP (Pool of Pools) locations. Usage will be billed by Flexi-Van, and rates will mirror those of the BACP and FLBP.

If you are already a registered and approved motor carrier with Flexi-Van Leasing, Inc.® for the BACP (Bay Area Chassis Pool) and/or the FLBP (Flexi-Van Los Angeles Basin Chassis Pool), then no further action on your part is required as you are already approved per amendment attached to this announcement.

If you are not an approved motor carrier with Flexi-Van Leasing, Inc.® in either the BACP or the FLBP, please visit our website [www.flexi-van.com](http://www.flexi-van.com) to register and provide the necessary insurance and credit information so that you can enjoy the authorized daily rates in the BACP, FLBP and MLRZ pools.

Please feel free to call Flexi-Van's Motor Carrier Customer Service (908) 276-8000 with any questions.

Sincerely,

Flexi-Van Leasing, Inc.®

July 2, 2015

Please be advised that effective July 1, 2015, all terms and conditions of the FVLI Motor Carrier Agreements, including any applicable Ocean Carrier Provisioning Agreements, governing use of FLBP or BACP pool chassis are expanded to also include the use of MLRZ Chassis Pool, US DOT No. 2019624.

Sincerely,

Flexi-Van Leasing, Inc.®
